ONE CONSTANT

In August 1956, out-of-town guests and local youngsters did what they still do -- paused for a picture on one of the cannons at the Yorktown Battlefield.

"Footprints" was edited and produced by Beth Meisner of the York Town Crier staff. Sincere thanks to all the folks who donated images of York County and Poquoson for inclusion in this scrapbook-look at where we've come from.

InfiNet Internet Access
Benefits:
Only $19.95 month
+ No long term Commitments
